MTV FOR BRANTLEY, MONDAY MAY 4TH

Tune in to **MTV's THE HILLS** on Monday evening, May 4th, as southern rocker Tim Brantley's hit single 'Damage' is featured during the show. Check local listings for details.

Recent reviews have compared Brantley's debut CD '**Goldtop Heights**' to early **Elton John, Bruce Springsteen, Hall and Oates, Billy Joel** and **Warren Zevon**. **Performing Songwriter Magazine** described his live show as "*awesome*," and will cover the new CD in their June issue.

Other reviewers have raved as well: *"His songs sound like new classics..."* Brantley's music *"plays like a great lost album from 1975."*

Brantley is a throwback to an era when musicians used distinct images and dynamic production to tell cinematic stories. His music takes listeners on a rock journey that evokes radio hits of the 1970s, when **Todd Rundgren, Billy Joel, Journey** and **Fleetwood Mac** were topping the charts with larger-than-life songs that told surprisingly compelling personal narratives.
